

UNION FAIR

Maine's Wild Blueberry Festival

The past year, 2017, saw many changes and improvements at Union Fair thanks to Our many sponsors and supporters.

The 2018 Union Fair, Maine Wild Blueberry Festival, will be August 18-25. Our sponsorship drive is currently under way and we invite you to participate. An excellent way to help the Fair and have your name before the more than 25,000 participants during Fair week is to sponsor an activity at one of our many levels of support.

Our efforts during 2017 allowed us to add several new tables for use by Fair visitors, increase our entertainment events, improve Blueberry Acres with new vinyl siding and interior improvements, continue upgrading our barns and support new activities. These efforts were supported by over 50 businesses, organizations and individuals through their sponsorships in 2017.

Whether a cash, in-kind or media related sponsorship we want you to reap the benefits of official sponsorship of Union Fair. If you are interested in joining our growing list of sponsors for the 2018 Fair we would like to hear from you. Please review our sponsorship brochure with an eye to where your brand will receive the most exposure to the greatest number of participants.

Visit our website, www.unionfair.org or check out our Facebook page to learn what the Fair is all about. You will find our sponsorship form and listing of sponsors on the website.

Review the brochure to see the benefits at each level of sponsorship. Choose the level you wish to participate in and the particular activity you choose to support.

Union Fair, Maine Wild Blueberry Festival is a valuable community activity supporting Maine agriculture and youth through the 4-H program and deserves your support.
